Electronic Filing

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically.

Do not electronically file the federal return	
Do not electronically file the state return(s)	

Note: The IRS and some states that require returns to be electronically filed also impose fees and/or penalties for failure to do so. If you checked either of the boxes above, you may be required to sign an "opt-out" form before we can release your returns. As a follow-up we will contact you to discuss these requirements and your ability to "opt-out" of electronic filing.

The IRS requires, and many states allow, the use of a Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.

Electronic Filing

Electronic Filing:

Spouse PIN

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. Electronic filing is the only filing method that provides you with acknowledgment that the IRS has received your return and is processing it. If you are to receive a refund and use direct deposit with electronic filing, you will normally receive your refund in about 3 weeks.

Because some states have official opt-out forms, additional signatures may be necessary before your return can be filed.

Opt-Out Statement:

has informed me (us) that my (our) 2024 Individual Income Tax return may be required to be electronically filed if the firm files the return on my (our) behalf. I (We) understand that electronic filing may provide a number of benefits to taxpayers, including an acknowledgment that the IRS received the return, a reduced chance of errors in processing, and faster refunds. I (we) do not want to file my (our) return electronically and will personally file the paper return. My (our) preparer will not file or otherwise mail or submit my (our) paper return to the IRS.
